It is the bidder's responsibility to check the Bid Express website for all amendment files prior to the deadline for bid submittal. This includes amendment files that may be generated as a result of administrative changes to the bidding form, which may not be communicated in a revision letter.

MANDATORY BIDDER REGISTRATION

Contractors desiring to submit electronic bids via Bid Express must register with INDOT as a valid bidder by submitting the form provided by INDOT Customer Service at the website below. Failure to register will cause failure of the Bid Express bid submission process. BONDS

An executed bid bond and an executed performance bond shall be included with the bid, except on contracts for roadside mowing, vegetation control, demolition, landscaping, fencing, seeding and sodding, bridge painting, and guardrail installations of \$100,000 or less, the bidder may elect not to furnish a performance bond. NOTICE: Effective March 1, 2008, paper bid bonds will no longer be accepted. Only electronic bid bonds submitted through the designated electronic medium, either Surety 2000 or SurePathNetwork, will be accepted with the bid. Bid Express does not support submittal of the performance bond. The performance bond must be submitted to the construction letting email box or be delivered in paper.
